# TRACES OF TRUE WARRIORS

The theme for this year's yearbook is *Traces Of A True Warrior*. The yearbook staff sat down and came up with ideas for a theme for the 2002-2003 yearbook. As the staff cut the options down to a couple choices, *Traces Of A True Warrior* was voted as the favorite. The yearbook staff chose this theme to trace back through the school year and remember what the students and faculty had been through. The footprints symbolizes the steps that a True Warrior has been through this school year, the good and the bad. Take a look at this yearbook and find out just what *Traces a True Warrior* has taken this year.

In the offices of Calumet, many people work together to help keep the school running.

The main office focuses on attendance and detentions, while the guidance office handles schedules and report cards.

They put in many countless hours and a lot of effort to make sure the students have everything they need for a good education.

Business classes definitely classes that students need right now and will come in handy for the future. Introduction to Business is a required class. Other business classes that are offered are: Accounting I and II, Business Applications, ICE/OJT. Business classes teach students the skills they need and how to apply them in their life when they are needed. Students are taught how to open a checking account, balance a checkbook, and fill out applications and resumes. It is a very helpful course to take later in life.

he technology classes offered at Calumet High School Technology and You, Manufacturing, Transportation. Communications. and Construction. These classes are designed to help students get a better understanding of the problems in life

Technology and You has four different areas, transportation, manucacturing, construction. communication. Transportation, teaches students how to build model rockets: manufacturing. teaches students how to weld: construction, teaches students how to build houses and construct roads and bridges; and communication, teaches students graphic arts and technical drawing.

History is the study of the past. We study history so we will not repeat our mistakes. At Calumet students are required to take certain History classes. Freshmen take Geography, which is the study of the land. Sophomores take World History, which is the study of different cultures around the world. Juniors take U.S. History, which is the history of the United States. Seniors take one semester of Government and one semster of Economics.

English is a very important class at Calumet High School. English is not only about how to use correct grammar, but it also teaches students how to read, write, and speak. Students have to pass four years of English in order to graduate.

English classes cover poems, plays, novels, and short stories. Students are given projects throughout the year including book reports and presentations. The English department is made up of Honors English, English, Drama, Yearbook, and Journalism.

Calumet High School received three new English teachers this year, Mrs. Collier, who also teaches Drama, Mrs. Wierzbicki and Mr.Burgioni. They joined the other English teachers, Ms. Green, Mrs. Kapetanovic, and Mr. Boufis.

# SCIENCE

At Calumet it is required that a student take and passes at least two vears of science. There are six different courses offered: Farth Science. Physical Science, Biology, Biology II, Chemistry, and Physics. Earth Science and Physical Science are the two most basic classes. For those students who wish to attend college, they can take other classes. In Biology students disect a fetal pig and a mink, which helps the students get a better understanding of the muscle and bone structure of animals to that of humans. Chemistry and Physics incorporate math with basic science which students have already learned.

hysical Education is a required class at Calumet High School. Most people take it when they are freshmen. It is required to take one full year of PE. There is also Weight Training Advanced PE as elective classes. In PE they play vollevball. basketball. soccer, and football. They aslo swim and skate.Another elective class is Art. There are different classes to take concerning art. Such

basic art, advanced art, drawing, painting, and sculpting. Calumet High School recieved a new Art teacher this year, Mr. Whisler. He is an excellent teacher. There always art work displayed in the halls. Advanced art students work on one project all vear and then it is put on display.

Calumet's students know the importance of getting an education, so they work real hard in all classes. Even in Math, one of the most valueable parts of anyone's education.

Calumet offers two types of math courses: general and college prep courses. General math is for those students who aren't going to be going to college and it is only practical math.

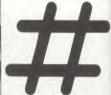

The college prep math course are Algebra, Geometry, Advance Algebra, Pre-Calculus and Calculus for those students wanting to attend college.

words to describe this year's Lady Warriors Golf Team. This, the second year of competition, saw many changes from the first year. The number of participants doubled in one year, a conference match was set up, and a variety of golfers competed at the varsity level.

The inception of the first ever Lake Athletic Conference match was made possible because Calumet had a team. Due to a regular varsity

member's absence for this match, junior Joi-Lynn Shell stepped in this proved to be a dvantageous. Shell became the first Lady Warrior golfer to make the AII-Confernece Second Team!

Other records were broken as senior Becky Wilson recorded the lowest 9 hole score of 53. Shell and sophomore Jennifer Betustak share the 18 hole record with 108.

# Traces of a True Warrior's Pride

the 2002 Calumet Warriors had a very hard and disappointing year. They finished with a disappointing record of 1-9. The team endured and tried to overcome overwhelming odds. Despite the adversity and ridicule the football players were getting, they continued to play hard and never gave up. Coach Zimmer said that the team will begin improving for next year in the summer. They will have an offseason strength, agility and speed program. He plans to get right back on track and forget about this frustrating season, Coach Zimmer said that he will miss the Warrior Spirit that the team had and the love they had for each other.

Making history is what our Lady Warriors did this season!!! They finished their year with a great record of 16 wins and 8 losses. The Lady Warriors accomplished many of their season goals this year. They captured their second conference title in the Blue Lake Athletic Division, "2 LAC Blue" for the second time in a row Our Ladies also went on to beat Calumets long time rival the Griffith Panthers to win the

2002-2003 3A Sectional Championship game. This was the first time the Lady Warriors had won a sectional championship since 1976. Coach Dori Downing worked hard to make sure that our Ladies worked hard and did their best. Seniors Chandra Timberlake Michelle Rachel Fortenberry. Judd. Flores, Jessica Brittany Washington, and Kristina Monik will be truly missed. Great Job Ladies!!!!!

### JVand Freshman Girls Basketball

The Junior Varsity girls basketball team regrouped well after over half of them moved up to varsity since last year. With a 14 and 6 record, the iunior varsity team shattered their record from last year. The incomina freshmen were tremendous help. Most of the freshmen

played not only on the freshman team, but also on the junior varsity team as well.

#### Better Than The Rest!!!!!!

he Freshman and Junior Varsity Wamor haskethall teams had pretty good seasons. They both worked hard in spite of all the negativity that came their way. The Junior Varsity players worked hard to gain respect and to earn a spot on the Varsity team next year. The Freshmen

displayed their talent to earn a spot on the Junior Varsity team and maybe even the Varsity next season. Both teams worked hard. staved committed. and showed their love for the game basketball.

# The BEST Warriors!!

Calumet Cheerleaders and Lifters of the 2002-2003 school displayed a tremendous amount of school spirit. Despite trying to overcome the loss of one of their fellow cheerleaders, freshman Rachel Reiser, they have pushed their way to support the athletics in the school. Some may not think that cheerleading is a sport but there is the same dedication, sacrifice, and time put in as in any other sport. The cheerleaders and lifters played huge roles in the success of the athletic programs.

# Bases Loaded!!!!!!!!!

ur boys' baseball team was one of the first teams to play at the new Railcats Stadium in Gary. The Warriors played against a tough Wheeler Beacats team.

Expectations and enthusiasm ran high as our boys took to the field for warm-ups. The stadium began to fill with excited Warnor and Bearcats fans as our boys continued to work out.

We were the visitors, so we batted first. Things were

looking as up we scored the first two runs of the game; however, things went downhill fast. Wheeler batted in the bottom of the first and left no doubt to their ability as ballolayers.

The evening left many Warrior fans disappointed, but the season was far from being over.

The boys played every game with heart and determination and enjoyed their season as they look forward to next year.

# Serving Up a Winning Season

ith a resurgence in the tennis team, the lady netters gained respect from many local teams.

Calumet finished the season with a 12-10 record, 8th place in the LAC and a Sectional Runner-up trophy.

The ladies were led by number one singles player Liz Crumble who had a 16-6 record. Liz was voted to the LAC All-Conference First Team for her great season.

As a junior, many teams will fear her next season.

Another junior sensation was first-timer Kiki Bytnar. Kiki ended her season with a 15-7 record and an Honorable Mention for the LAC team.

Sophomore Ashlee Pearce stepped in and was the lone winner for the netters at Sectionals.

Many teams will fear the Warriors as they take to the courts next year!

# Drug Free way to be!

ed Ribbon Week is not iust another week we have to go to school. It's more like a tradition that parts of the world take pride in. Red Ribbon began

Enrique when Camarena decided to make a difference. He served in the Marines and became a police officer. He joined the U.S. Drug Enforcement Administration. Later the DFA sent him to work undercover in Mexico on a major drug cartel that may

have included officers from the Mexican army. police. and government. On Feb. 7, 1985 Camarena left his office. Five men appeared and shoved him into a car. One month later his body was found in a shallow grave. He was tortured to death. In his memory friends neighbors began to wear red ribbons. # Be Smart, Don't Start

Prevention Using Student Help, also known as PUSH, is one of the most important programs Calumet has to offer. This program allows Calumet students to talk to the elementary students about using harmful substances PUSH members take one week at a time to visit the Lake Ridge elementary schools The members talk to the students about what harmful

substances may do to them.

PUSH members teach the young students many new and useful things, while making it fun for them to learn.

The students who participate in this program also have to go through their own training on learning about drugs. They learn about the nature of the drugs and how they harm everyone.

Left: Kam Harper makes sure the children learn as much as they can about drugs by reading the PUSH packets out loud. Below: Samantha Marimen answers a question about marijuana. Right: The PUSH leaders have the kids

# Calumet's Finest!

The National Honor Society is comprised of a number of Calumet High School's most academically conscious and involved students. The club is based on four important characteristics: Scholarship, character, leadership and service.

To be an active member of the club, a student must maintain a GPA of 3.2 and exhibit all four of the aforementioned characteristics. The members of the Society must also abide by a strict no cheating policy.

Each spring the organization hosts its annual induction. The current members sponsor a banquet where new members are initiated and the graduating members receive their honor stole from their most influential teacher. Many months of hard work are put forth to cover the cost of the banquet. President Dennis Frazee, as well as other members of the society, stood on street corners for five hours selling Krispy Cremes to make this event possible. Another

fundraiser for the induction ceremony was the Matchmaker survey, which made possible love connections among all of the students of Calumet High School.

This year NHS inducted ten new members. The Society also plans to graduate ten fine students who all have lofty career and societal goals in mind.

Throughout the school year. the group participated in a number of community service activities. The club worked to help decorate the high school and dressed in costume to pass out candy to youth of Calumet Township for Safe Trick-or-Treat. Members also participated in a number of other successful endeavors such as the coat drive, nursing home visits, school cleanups, and tutoring. This year Lake Ridge Middle School Tutoring was a new addition to the long list of community service activities.

The members of the NHS are truly some of Calumet's finest students.

Calumet Αt we have а lot of competition. Everyone tries to be the best. The Class Olympics allows everyone to try to be the best while having a lot of fun. The class Olympics were held on March 28, 2003 during sixth hour.

Classes compete against each other in many events; events like the pie eating

contest for boys and girls, tug of war, toilet paper contest, huila hoop contest, basketball contest, and the relay race. Many students participate in this event and have a lot of fun.

The funds for this event goes toward the printing cost of the yearbook. The winning class also receives ten percent of the profit. Congratulations to the juniors for winning this year's event.

Being in band is not just about playing an instrument. It takes hard work and lots of commitment. The band members practice very hard each morning during first hour to get everything perfect. They practice hard for games and special occasions where they appear.

Chorus, which is very like band. much practices very hard each afternoon during sixth hour to get their vocals just right. They appeared at Calumet on Halloween night and greeted the trick or treaters and their families with soothing songs.

# Beware..

This year was very special, not only did we have a great hard working class. but we also had a lot of fun. However, Yearbook is not all about fun and games. We have to meet deadlines in a short period of time. which usually means that we have to stay after school just to make them.

We have many fundraisers, like the bake sales we had every month.

The fundraisers help us pay for the cost of the books

Another great fundraiser was "The Class Olympics" in which all the competed against other to prove who really is the best.

This class really left a great impact on Ms. Green even if she hates to admit it and says she hates us. She really does love us and will never forget us.

#### Seniors say Good-bye...

rom the moment the seniors entered the gymnasium to the moment the left, everyone felt the unity surround them.

Each individual in the class had contributed in some way to the uniqueness they shared. The seniors were always supportive of their fellow classmate as was evident as they encouraged each other throughout the year in classes and athletics.

Many CHS seniors were awarded scholarships and grants to further their education.

As they said their last good-byes as members of the Class of '03, everyone around them applauded their achievements and accomplishments, knowing more is on the way.

As a teacher's assistant of Mrs. Kapetanovic's class, Candice Johnson sits at the desk quietly grading papers.

After just getting back from lunch, Jennifer Alexander sits at her desk and chews on a straw. While Donna McKennev sits wishing that she had a straw to shew on also.

While resting in gym class, Rocky Dumigan sits on the stairs and poses very nicely for the picture. What a smile!!

To my Sweetheart, The first day I laid eyes upon you, I knew you were special. You have grown up into a beautiful. sweet young lady with a great personality. I am so proud of you Candice. Reach for the stars sweetheart! Keep your eyes on Jesus and you won't go under. I love you and I'm always here for you!

Mom

Dear Karla.

You are my friend, much closer than others. When I am around you I feel lifted. You are a very unique person. We've had our ups and downs, but it all turned out to be the best for the both of us. People say you are a mean person, but you really have a heart of gold. You have touched the lives of many with your kind You are the sweetest person I know and I love you. I wish you the best of luck in the future.

Lamarr Beal

Rusty, are the object of my affection, the fondest memory of my recollection. You mean the same thing to me as I mean to you. When I smile for no reason the one responsible is you. You've made the deepest impression that will never leave I love you and you love me and that means everything. Good luck in the future and in everything you do follow God's words and he will order thy steps.

Love Always Karla

Love Is...

How proud 1 am of you. You went from being this sweet little girl to being a young woman in what seemed like overnight. You have shown the whole world that you will succeed. Why? Because it is what you want, and I know and you know that you can have and be anything you want. And for that I am proud. P.S. "I couldn't love you

more, or spend less than forever loving you." Love always and forever,

-Mom

My baby girl is all grown up! What a beautiful girl you are! I am so proud of you. I wish you all the happiness that you deserve and good luck on the future! You have worked hard to get where you are today. Hooray! You finally made it. I love you so much! Mom

Children are a gift sent from up above, given to someone special with hopes they share their love. His gifts are very precious each in their own way, and you have become special with each passing day. So as we watch you grow into a beautiful voung lady, we'll remember who you're from Thank you Lord, for this precious gift of Michelle, you heaven sent from up above Our lives have had much laughter. We've had our share of tears, but God has staved with us through the passing years. Stand with pride and hold on strong, use your inspirations to go far and long. But we want you to remember as you open each new door that as much as we love you Michelle, God still loves you more

Zachary Spencer

I can't believe you're finally graduating. You're actually leaving me! You have been more than a brother, you have been a best friend, too. Through all the fights and fun times, we have grown closer. I wouldn't change relationship for anything in the world. I'm so proud of you. You have really accomplished a lot." I love you so much and I'm really going to miss you Good Luck! Your little sis

Francisco Rico

Francisco Javer Rico: Our beloved son, we are very proud of you. As a young boy you were always dedicated to your school work. Always doing your homework nght when you got home from school. We never had to tell you or push you to do it. You knew the importance of getting good grades. So you pushed yourself. Being our first born son, we would wonder how you would be, with great hopes and expectations for you. We wondered if you would have your fathers blue eyes, or if you would have the skin color of your mother. But when you were born, we saw how handsome and precious you were with fair skin, lots of black hair and brown eyes. You have always been a reserved and quiet young man. Maybe because you were always observing and learning new and different things each and every day in your own quiet way. With our love, we wish you nothing but the best in your new life as a college student. May God be with you always. Love always your parents Francisco J. and Raguel Rico

Bryan Reiser

If it wasn't for me you know you wouldn't be graduation, right? Just joking! I am so proud of you! You've impressed me in so many different ways. I can't wait until we start college together. You are definitely going to be successful in whatever you do! I love you so much and I always will. I'm glad we were able to go through high school together. I can't wait to spend the rest of our lives together! Love you always, Becky

# Music

From hip-hop to electronica, pop to rock, no one musical genre dominated the alrwaves and headphones of America. The year saw new abums from Moby, Red Hot Chili Peppers, Eminem, Leann Rimes and many more. Kelly Clarkson's career as a chanteuse took off, Lance Bass was grounded as a cosmonaut, Ozzy showed why he's an iron man, and Triumph marked his territory at the VMAs.

in orbit. But when he fails to pony up the \$20 million fee, the Russians say "nyet!" and send him home.

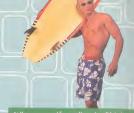

## Trends

Styles past and future, cheap and chic blended to make the year interesting for the trend-conscious. Denim made a comeback for the 287th time in history, while new electronic devices offered functionality that James Bond would envy. Not to mention that the modern look of Starck and Oldham hit traditional department stores, surfers hit suburbia, and lots of teen girls happily not mud on their faces.

Who cares if we live in Ohio? Surf/skate fashion is cool, with brands such as Ezekiel, Hurley, and BC Ethic making a big splash on the half-pipe.

VISIO

The blue light continued to mesmerize viewers with lots of big departures. epic celebrations, and naughty puppets. The cast of "Friends" waved so long to their \$1-million-per-episode contracts (or did they?), while "SNL" lost its #1 George Dubva impersonator, NBC dominated the Emmy Awards, Fox dominated the market for Comedies Set Three Decades Ago, and "Crank Yankers" made us all afraid to pick up that phone call.

Bell-bottoms, bell-bottoms everywhere... The Fox hit "That 70s Show" celebrates its 100th episode with a flurry of polyester and feathered hair.

# News

America spent much of the year remembering those lost in last year's terrorist attacks and studying ways to bolster national security. Congress and President Bush debated responses to the Israeli-Palestinian conflict and allegations that Iraqi leader Saddam Hussein was building weapons of mass destruction. Meanwhile, forest fires raged across Arizona and other states, threatening thousands of homes and millions of acres of parkland

The word in Hollywood? Sequels. Samuel L. Will and Tommy Lee kept the universe safe for another summer as Mike Myers went for another groovalicious turn as Austin Powers. There were also a few original flicks, including a sci-fi thriller from Steven Spielberg and new creepiness from the director of "The Sixth Sense" and "Unbreakable."

# Sports

It was another big year for world and U.S. sports. Fans across the globe stayed up late, got up early, and tuned in to live broadcasts of the World Cup from Japan and Korea, Ronaldo helped Brazil hoist the Copa Mundial after a disappointing loss to France four years earlier. Americans had their fair share of epic victories as well, with Lance rolling through the Champs-Elvsées ahead of his European rivals and Serena Williams dominating the world tennis scene.
